

THE INTERIOR DESIGN JOURNEY

INITIAL CONSULTATION

This is an opportunity to understand exactly what you are looking for and for us to explain how we can help you. We will discuss the scope of work and explain the design fees and various options available to you. We will take some time to understand your style, including your personal likes and dislikes so that we can help bring your vision to life.

DESIGN BRIEF

You will receive a summary of the design brief, along with the fee proposals for your project. Once you are on board, a follow up meeting will be required in which rooms will be measured, photographs taken and other details discussed in more detail. An invoice for the 1st 50% of the fee/fees is required at this stage.
